APPOINTMENT OF STUDENT COUNSELOR

Date : 31/5/22

AIM:

Young adults nowadays are faced with a number of issues related to academics and otherwise during their student life. They are in need of an outlet to express their emotional upheavals. This is where a student counselor comes into picture. We have a regular counselor. The most common issues faced by students are related to time management, stress management, communication skills, Ragging issues etc. One-to-one counseling sessions with the student counselor helps our students to sort out these issues and unburden themselves of their problems.

RESPONSIBILITIES

- Student counselor creates a conducive environment for the students to facilitate effective communication.
- Counseling helps the students concentrate better on their studies without getting emotionally drained by other issues.
